

# 11th International Conference on Hard and Electromagnetic Probes of High-Energy Nuclear Collisions

## Freitag, 31. März 2023

### Plenary Session IX - Cranach-Saal (09:30 - 10:45)

-Vorsitzende der Sitzung: Julia Velkovska

time	[id] title	presenter
09:30	[347] Lattice and EFT for hard probes	LARSEN, Rasmus
09:55	[348] Jet quenching with machine learning	DU, YILUN
10:20	[349] Hard probes at intermediate energies (including fixed-target programs)	MA, Rongrong
