

Münster Drosophila Mini-Symposium

Dienstag, 7. März 2023 - Dienstag, 7. März 2023

PAN Zentrum, Vesaliusweg 2-4

Wissenschaftliches Programm

Tentative schedule

Presentation format: 12 minutes talk + 3 minutes for questions

13:00 – 13:10 - Welcome

General Welcome – Nils Otto, AG Missler, Anatomy & molecular neurobiology
Drosophila Technology Platform – Astrid Jeibmann, Neuropathology

13:10 – 14:15 Session 1

Invited groups:

Tüttelmann, UKM, Reproductive Genetics
Omran, UKM, Laboratory for cilia research
Grobe, UKM, Biochemistry of heparan sulfate
Hasselblatt, UKM, Neuropathologie

14:15 – 14:30 Guest talk

The imaging network – Thomas Zobel, MIC

14:30 – 15:10 Break

15:10 – 16:30 Session 2

Invited groups:

Matis, ZMBE, Institute for cell biology
Luschnig, WWU, Epithelial tube formation
George, UKM, Molecular nephrology
Braun, UKM, Molecular nephrology
Krahn, UKM, Medical cell biology

16:30 – 17:00 Break

17:00 – 18:15 Session 3

Invited groups:

Klämbt, WWU, Institute for Neurobiology
Stanewsky, WWU, Institute for Neurobiology
Rumpf, CIM, Developmental neurodegeneration
Ziegler, WWU, Institute for Neurobiology
Missler, UKM, Anatomy & molecular neurobiology

18:15 ~ 19:15 Dinner

19:00 ~ 21:00 Poster session and social - with drinks
